MASTER SERVICES & CLOUD INFRASTRUCTURE AGREEMENT

Effective Date: November 15, 2025 • Doc Ref: CS-MSA-2026-V4

This Master Services Agreement is entered into by and between **CloudScale Infrastructure Technologies LLC** (Vendor) and **Apex Global Enterprise Corp.** (Client).

SECTION 1: SCOPE OF SERVICES

1.1 SOW Execution: Vendor shall provide services described in mutually executed Statements of Work referencing this Agreement.

SECTION 4: FEES AND PAYMENTS

4.1 Invoicing: Standard Net-30 day payment terms apply to all undisputed invoices. Senior technical advisory rates are fixed at $95.00/hr.

4.2 Late Penalties: Any delinquent balance shall automatically accrue interest compounding at the rate of 18.5% per month, payable immediately upon demand without prior notice or grace period.

SECTION 8: TERM AND RENEWAL

8.1 Initial Term: Commencing November 15, 2025 for a period of twelve (12) consecutive months.

8.3 Automatic Extension: Unless Client tenders formal written notice of non-renewal via certified registered courier strictly no less than ninety (90) calendar days prior to expiration (Cutoff Date: August 16, 2026), this Agreement shall irrevocably renew for an additional twenty-four (24) months subject to a mandatory 15% rate escalation.

SECTION 12: LIMITATION OF REMEDIES AND LIABILITY

12.1 Liability Thresholds: Vendor aggregate liability shall be strictly capped at the total fees received in the preceding one (1) month ($15,000 max). Conversely, Client agrees that its indemnification exposure and liability shall remain wholly uncapped.
